

fitted with

1 x halogen lamp QR-CBC51 50W/10° GU5.3 12V -
Energy efficiency category B - D68727000

color rendering index (CRI)

> 98

colour temperatur

3000 K

work equipment

without

connected load

12 V; DC

mains lead

1.6 m spiral cable (stretched) connector plug

luminaire body

polycarbonate (PC)

weight (net)

1.0 kg

power consumption

50 W

usage

rocker switch (I/O)

lamp cover

matt glass sandblasted

technology

single-pole secondary

class of protection

III

special features

connector plug

fastening

other fastenings upon agreement, fastening for C-rail

order number

D14482000 - pure white

light distribution
