

EC Certificate

DGM – 605

This is to certify that the quality system of

OraSure Technologies, Inc.
220 East First Street
Bethlehem, PA 18015-1360
USA

has been approved in conformity with the requirements of
Annex II, section 3.2 - Full quality assurance system
of Council Directive 93/42/EEC concerning medical devices as amended and transposed into Danish law.

The scope of the certification is:

**Design, development and manufacture and final inspection of
Cryosurgical devices in class IIa and Oral specimen collection
kits in class III**

The EC certificate is valid provided that the quality system continues to conform to the above-mentioned scope and provided that the company does not introduce substantial changes to the quality system without the approval of DS Certificering A/S. This EC certificate is issued pursuant to the DS Certificering A/S rules for the certification of medical devices and entitles the certificate holder to affix the CE mark.
